Investment Portfolio

Accelerators

Global Network

Sustainable Growth for All

PTT, a Fortune 500 and a member of World DJSI, is a fully integrated energy and petrochemical company in Thailand.

Aside from traditional energy business, PTT invests in New S-Curve businesses for the long term which prepare the company for leapfrogging growth based on global mega-trends and disruptive technology.

PTT's Innovation Team and Corporate Venture Capital identifies, partners, and invests globally in life-changing technologies for sustainability, which can solve developing countries' challenges.
