

The background of the slide is a blurred, high-speed photograph of a road at night. The road surface is dark, with white dashed lines and red double lines visible. The motion blur creates streaks of light in shades of orange, yellow, and blue, suggesting fast-moving vehicles or lights. The Chargepoint logo is positioned in the upper right quadrant, featuring a white minus sign on the left and a plus sign on the right of the word "chargepoint" in a lowercase, sans-serif font. A small registered trademark symbol (®) is located to the right of the plus sign.
