FAQs

Cleantech Forum San Francisco, Palm Springs

IN PERSON: 24-26 JANUARY

ON SCREEN: 24 JANURAY-11 FEBRUARY

1. *If I buy an in-person ticket, can I attend the online event?*

Yes. You can attend any of the online sessions through our digital platform. You can also set up meetings with all attendees of the in-person and online event and meet innovators, investors and corporates in our online booths. If you miss an online session, you can download recordings and presentations until the platform closes on 11 February 2022.

2. *If I buy an in-person ticket, can a colleague also attend the online event?*

Yes. If you buy an in-person ticket, one of your colleagues can attend the event for free. When that colleague registers, they can then add in additional colleagues for \$100 each.

3. *If I buy an online ticket, can I attend the in-person event?*

No. Your ticket for the online program means you can only attend our complete online program and network with attendees of the online program and the in-person program. You'll also be able to meet innovators, investors and corporates in our online booths. If you miss any sessions, you can download recordings and presentations until 11 February.

4. *If I buy a ticket for the online program, can my colleagues buy discounted tickets for the online program?*

Yes. If you buy a ticket for the online program, you can invite your colleagues to attend our online program for just \$100 each.

5. *How do I get on the online platform?*

In the week before the event, we'll be in touch with a link to the platform and helpful tips on setting up your profile. It's a very intuitive system and will only take four or five minutes to complete. If your company has a booth, uploading the information is fast and easy.

6. *Am I entitled to a digital booth to publicize my company?*

If you're an innovator, investor or corporate, an in-person and online ticket includes a digital booth.

7. *Can I be a speaker or present my innovation company at the in-person or online programs?*

You can [apply to be a speaker](#) or to [join an innovation showcase](#) by 15 December 2021. We'll select speakers on companies on a rolling basis, so apply soon.
